

Jessie Younghusband School

Ref:Spr1.18

Monday 15th January 2018

Dear Parents and Carers,

I hope that 2018 has started well for you. We have begun this term working on setting goals with the children and have also introduced our six key 'learning behaviours' – determination, resilience, perseverance, positivity, effort and focus. These are underpinned by our school values: Aspire ~ Respect ~ Enjoy. All of these further develop the work we started last term on Growth Mindset Our assemblies over this term will help the children understand what these attitudes mean and how they might use them to be even more successful in their learning.

We have also introduced a new House Team system. The children now belong to one of four house teams: Maple, Oak, Ash, and Beech. These are also represented by different colours. We started working house teams at the start of term with some activities that enabled the children to earn points for their team. These were collected together and the team with the most points won the House Team Cup for that week. This will be our routine at the end of each week. The children can earn points by displaying one of the school values or the learning qualities. These will not be easy to earn! In time, we may develop the system further but for now we want everyone to get used to the idea of belonging to a House Team. To lead the teams we have Year 6 Team Captains. These children were chosen by the teachers because they had shown themselves to be excellent role models and to have the skills to lead and support the other children in their team. 'Well Done' to Sophie and Adam – Oak Team Captains; Cady and Ioan – Ash Team Captains; Edward and Verity Beech Team Captains; Ellie and Madeleine H – Beech Team Captains.

Although we have no specific plans as yet we anticipate that our new arrangements for sports day this year will utilise this House Team structure – we will keep you posted on that. Mrs Sadler

Introducing Mr Hellyer our new Premises Officer

You may have seen Ray Hellyer our new Premises Officer out and about the school. Ray has written a few words to introduce himself...

I am married to Claire and we will celebrate our 30th wedding anniversary in June this year. Claire currently works as an Admin Officer for The University of Chichester. I have one son, Matthew who is currently undertaking an Engineering Apprenticeship. I have previously worked as the Head Gardener at Chichester Crematorium, a Health Care Assistant at St. Richards Hospital, and various jobs within the treasurer's Dep't at WSCC. As well as

Premises Officer at JYS, I am also working for myself doing gardening and general maintenance work. My hobbies include mountain biking, canoeing, mountain walking (UK and abroad), photography, reading (mainly Non-fiction) and collecting militaria. I am really looking forward to working at JYS and getting to know you all.

Access to the School Office

Could we remind everyone that if you need to speak with the ladies in the school office or bring in medicines, etc., at drop off or collection times in the morning or afternoon, that access is via the front door only. This is to ensure the security of the building and safety. It also means that all visitors and parents can be helped at the office window. Some parents are coming to the office door though the library and we must request that everyone walks around to the front door. Thank you for your understanding.

Collection for Chloe - Chestnut Tree House

Chloe's parents, Mr and Mrs Ferris requested that no flowers were sent to Chloe's special service on Friday 5th January. Instead they have asked for donations to be made to Chestnut Tree House who have given invaluable support and care to the family. We are having a collection and if any parents would like to make a donation there will be an envelope in the school office until Monday 22nd January. Please make cheques payable to Chestnut Tree House. This will be forwarded on to Chestnut Tree House later that week.

Parking

Please could we remind everyone to park respectfully and politely in the Norwich/Worcester Road area. We have had local residents informing us that there has been unsafe and inconsiderate parking at the start and end of the day. They would like the following points passed on:

- Please do not block driveways
- Do not park on the yellow lines
- Do not park on the pavements

Attached to this newsletter is a map showing the safe areas to park

Thank You

Mr Vaughan and Mrs Marchant would like us to pass on a huge 'thank you' to everyone for their leaving gifts and kind words.

Parent Consultation Meetings – 5th and 7th March - 3.30pm 6pm

We want to give parents as much advance notice as possible of this term's parent consultation meetings. These will take place on Monday 5th and Wednesday 7th March. There will be very limited capacity for meetings to be arranged on other days so please put these dates on your calendars! We will email you after half term to let you know when the lists of available times will be located outside the classrooms. We hope you find the meetings useful.

Career Opportunities in Education

We have been asked by WSCC to share the following information with you:

Are you or is someone you know interested in training to be a teacher? Are you a teacher looking for a new post? Are you interested in the new Teaching Apprenticeships? Want to know more about being a school bursar, teaching assistant, learning mentor, working in SEN roles or clerk for a governing body? Are you interested in working for our Adult Education team? Have you considered being a school governor?

West Sussex CC is holding 2 Recruitment Events on Saturday 3rd February at Fontwell Park Racecourse and on Saturday 24th February at Ifield Community College in Crawley. Both events will run from 10.00 – 2.00pm. Come along and meet schools, universities and others organisations to find out about the many roles in West Sussex schools. For more information go to www.westsussex.gov.uk/jobsinschools where you can also find details of who will be at each event.

Please see our school diary dates on the next page.....
