Sports Day

On **Friday 27th June**, our school will be holding its annual Sports Day. Like last year, the morning session, from **9.15am to approximately 11.30am**, will be for **Key Stage 2 pupils only (Years 3 to 6)**. This will have a competitive element, with traditional track and field events taking place.

In the afternoon, **from 1.15pm to 3.15pm**, the **whole school** will take part in a round robin of sporting activities. Children will be split into groups within their house teams, with every child participating in all the events on offer.

Parents and carers are welcome to attend either the morning or afternoon session, or both if they wish. The back gate will be open for 15 minutes after the start time of each session to allow entry.

We encourage all pupils to get involved and demonstrate their sporting abilities and team spirit! We can't wait to see everyone getting stuck into sports day and celebrating an active, healthy school community. Please don't forget to send children in with sun hats, water bottles and apply plenty of sun cream.

This Week

On the Monday, we welcomed our tame Eco Warrior, Mrs Ritchie, into school again, and she led an assembly to KS1 and KS2 about Refuse, Rethink, Reduce, Reuse, Repair, Re-gift and Recycle. This was then followed with a session teaching in Year R where the children learned about repurposing and reusing. They then did a carousel of activities based on this, including some junk-modelling, a main stay recycling / repurposing activity of Year R!

Wednesday saw Year 4 heading off to Fishbourne for their River Trip! The day started off by being cloudy and warm, but brightened up in the afternoon. They met Nick, the guide, at the duck pond in Fishbourne and then went to explore the River Lavant. From the picture (left) you can see the children getting stuck in with measuring how wide it currently is in places. Luckily it wasn't much deeper! From here, the children followed the river down to where it meets the sea, at Dell Quay. Lunch was then followed by more learning at the education centre before being transported back to school. All of the children were glad the trip wasn't on Thursday when it rained all day!

House Points

Children earn house points for different things throughout the week, and here are this week's results:
