## This Week

It was a very busy day for Mrs Dutton on Tuesday! First, she took the "B" team down to The Regis School in Bognor for a football tournament, providing more of our pupils with an opportunity to play competitive football against other schools.

Then, as they were leaving to come back to Chichester, Mr Neaves arrived with the team that had won at Chichester University! They were in a tournament against the 2nd and 3rd placed teams from Chichester and the top 3 teams from the Bognor area. It was very cold, but the children layered up and ran to keep warm! We won the first game 2-1, in a nail-biting game where they learned very quickly how fast the ball was travelling over the playing surface! The children behaved excellently, supported each other and came third overall. It was great to see the children developing their confidence and competence within their footballing skills.

Thursday saw us welcoming our tame Historian, Mr Paul Ullson, back in to school to work with the Year 1s. He came in the guise of a Wise Man and looked at the history of toys, and made links to the wise men in the Bible giving gifts. The children had lots of fun, making their own gifts in the session too!
