## New Site Update

This week the signage has been fitted on the front of the new school building. You can see how lovely this looks in the photo below.

We will have further updates concerning the timeline and other arrangements after our next meeting with WSCC at the end of October.

## Open Afternoon

We would like to invite you to our upcoming Open Afternoon on October 4th, from 2.30pm. This event will give you the opportunity for you to meet your child's class teacher, find out more about the curriculum, and gain insight into the exciting activities and events lined up for the year ahead.

Parents of Year R pupils are invited to a phonics workshop in the hall at the same time.

## Parking (Norwich Road)

We have had several reports of people parking inconsiderately over the past few days. It has been highlighted to staff that people are often parking on the yellow zig-zag lines and blocking crossing areas.

The safety of everyone in our community is out top priority, and we would insist again that people park in a safe and suitable space.

## This Week

This week in Year 6 we have been learning how to master the game of squash in PE, have discovered the amazing history of the ancient Maya people and created our own classification keys in science to help identify the different trees in our local environment.

"I really liked practising our volleys against the net in squash – it was hard, but fun!" - Sofia

"The part I most enjoyed when Paul Ullson visited was the opportunity to learn about Mayan alphabet and writing our own Mayan names" – Valentina

## House Points

Children earn house points for different things throughout the week, and here are this week's results:

	This week	Term Total (Since Sep '24)	Year Total (Since Sept '24)
