Year 6 SATs Testing Week

Next week we will celebrate the hard work and dedication of our Year 6 pupils as they undertake their SATs tests. We want to wish each and every child the best of luck and express our confidence that they will all give their very best effort during this important time.

The journey to the SATs has been filled with perseverance, growth, and learning for our Year 6 pupils. We are incredibly proud of the progress they have made and the commitment they have shown. As they approach this significant milestone, we want to remind them that we believe in their abilities and are here to support them every step of the way.

To our Year 6 pupils: Remember that these tests are just one way to showcase all the knowledge and skills you have acquired throughout your time at school. Stay focused, stay positive, and most importantly, believe in yourselves. Your hard work will surely pay off, and we are cheering you on every step of the way.

Good luck, Year 6! You've got this!

This Week

This week, our school photographer paid us a visit to capture some wonderful class photos. The sun was shining brightly, providing the perfect backdrop for all to shine in front of the camera.

Divinder Kaur visited Years 1, 3, and 5 to share insights about Sikhism as part of our RE curriculum. The children were attentive listeners and actively engaged with Divinder, asking a wide range of thoughtful questions. It was a fantastic opportunity for them to deepen their understanding of different cultures and beliefs.

We took 8 children from Years 3 and 4 to Bishop Luffa in Wednesday to compete in an inter-school tennis-based tournament. The 4 boys and 4 girls took part in a number of activities - from bouncing tennis balls on their racquets to the number of successful passes they could play over a net. They accumulated points for the team. We were second at the event, and have been placed fifth out of all the schools competing in the Chichester and Bognor areas.

House Points

Children earn house points for different things throughout the week, and here are the weekly results:

	This week	Term Total (Since Apr '24)	Year Total (Since Sept '23)
Ash	89	400	2699
Beech	91	345	2562
Maple	88	482	2932
Oak	83	447	2687
