## Our School Website & Curriculum letters

We are very proud of our school website and we try to keep it relevant and to include information that is useful to our parents and the wider school community. One of the features that people find particularly useful is the "calendar", which can be accessed from the toolbar at the top of the homepage, or found by clicking on this link: <https://www.jys.org.uk/web/calendar/92082>

In our "classes" tabs (this can be found by clicking on "Learning" and then "Our Classes" and selecting the class you are interested in), you will be able to find this term's Curriculum Letter. These are written by the class teachers and give an overview of the proposed learning for the upcoming term - what themes or topics will be explored, any proposed trips and also gives details of what parents can do to support the children at home. Very often they also give reminders as to which days the children have PE, how they can be supported at home with their reading, which days home learning is set and when it is due in. If you have any problems with accessing this information, please do contact our school office for help and support.

The school website is: <https://www.jys.org.uk>

## This Week

At the end of last week, Year 5 put the finishing touches to their DT project from last half term where they were making toys that used cams to make parts move. The children have really enjoyed the experience, and Mr Hanna had a difficult job when he was invited in to try and pick the one that he liked the best!

On Tuesday morning, the children in Years R, 1 and 2 were treated to a session by "Perform for Schools", and we could hear that all of the children were having a fun time moving, role-playing and playing games. We are so proud to be able to continue to find opportunities like this for the children. Swimming for Years 4 and 5 started this week again, and we have 9 more weeks to go. Some of our pupils were put through their paces ahead of the big swimming gala this Saturday - read next week's newsletter to find out how we do!

## House Points

Children earn house points for different things throughout the week, and here are the weekly results:

	This week	Term Total (Since Apr '24)	Year Total (Since Sept '23)
Ash	94	220	2519
Beech	89	183	2400
Maple	126	<b>313</b>	<b>2718</b>
Oak	<b>129</b>	275	2515
