## TT Rockstars (and Numbots)

Times Table Rock Stars (TT Rockstars) and Numbots are fun and challenging online programmes designed to help pupils master the times tables and other maths skills. The children really enjoy taking part and it can enhance their maths learning and understanding both at school and at home.

These are paid for programmes, and this academic year has been paid for again by the Friends of JYS. In order to celebrate their generosity and to raise money to pay for these, we are again inviting your child to come to school on Friday 28th April dressed as a Rock / Pop Star!

We are asking for a minimum of a £1 donation (cash only) and all proceeds will be put towards paying for our continued TTRockstars and Numbots subscriptions.

## Parking (Norwich Road)

We have had several reports of people parking inconsiderately over the past few days. It has been highlighted to staff that people are often parking on the yellow zig-zag lines and blocking crossing areas.

The safety of everyone in our community is our top priority, and we insist that people park in a safe and suitable space.

## This Week

Despite the change in weather, we have had a great week for sport. On Monday, after school, we hosted Parklands for a football match. Our squad ranged from a Year 3 through to a few Year 6s, and we are pleased to report that we won 5-0. We look forward to visiting them next week for a netball match.

Tuesday saw a squad compete in a dodgeball competition in Bognor and do brilliantly to receive 4th place.

Wednesday and we took 41 pupils from Years 5 & 6 to compete in a cross-country event at Bishop Luffa where there was a 2.1 km course!

On top of this, we were learning things in school - and were pleased to again have Paul Ullson in, working with Year 2 to look at materials.

## House Points

Children earn house points for different things throughout the week, and here are the weekly results:
