This Week

On Thursday 23rd April, we took our netball team to the School Games Finals at Burgess Hill, where the children competed against 8 other schools from around the county. 120 schools had entered the competition, and to have made it so far was a testament to the dedication and teamwork that our squad has shown. We lost 3 games, drew 2 and won 3, including a game where we won 8-0! This was another opportunity we have had to promote success and achievement in sport - brilliantly led by our captain, Scarlet.

On Monday, Year 5 dressed up for their "Alien Day", created their own aliens, listened to more "War of the Worlds" and enjoyed a visit from Mrs Ritchie and a talk about space pollution, which ended with the children making their own collages on this theme.

Tuesday saw us welcome back our tame Historian, Paul Ullson. On this visit, he spent the morning with Year 4 who are learning about the Ancient Greeks. One of the things about these visits that the children particularly enjoy is the opportunity to examine and sketch the many artefacts that Paul brings in. They really do help bring the subject to life, and Paul encourages and helps the children to develop their questioning - and drawing skills!
