## School Travel

West Sussex County Council recently visited our school to conduct a survey on how students travel to school. The council may have opportunities to support active travel to school through both education and resources. They commented that they were delighted to see the number of pupils cycling and walking via Centurion Way, and they hope this continues as the school continues to settle into its new location. You will be sent a parent survey along with this newsletter, and we would be grateful if you could complete it.

## This Week

The newly elected School Council met for the first time this week, chosen by their classmates to represent them for the year. During their initial meeting with Mr. Vass, they discussed their roles and began collecting feedback from fellow students about the experience of learning in the new school building. Throughout the year, the councillors will collaborate with school staff to ensure that students' voices are central to the school's decision-making process.

- YR Representative: Amy.F
- Y1 Representative: Zach
- Y2 Representatives: Isla.F, Ollie
- Y3 Representatives: Ellis, Martha
- Y4 Representatives: Alfie, Viola
- Y5 Representatives: Alice, George
- Y6 Representatives: Fin, Ivy

On Monday, Year 5 got dressed up for Roman Day. They brought in their very impressive shields that they had made at home over the summer. We were joined by Paul Ullson who helped to bring our Roman topic to life. We learnt about Roman battle tactics, the importance of working as a team and even fought off a barbarian hoard of Year 3s!

## House Points

Children earn house points for different things throughout the week, and here are this week's results:
