## Parking

We have had several reports of people parking inconsiderately over the past few days. It has been highlighted to staff that people are often parking on the yellow zig-zag lines and blocking crossing areas.

Could we also remind parents that the carpark in front of the school is for staff only and spaces are very limited? This area should not be used for normal school drop off or collections.

The safety of everyone in our community is our top priority, and we insist that people park in a safe and suitable space.

## This Week

This week has been filled with enriching experiences for JYS pupils as they ventured out on school trips that brought their learning to life!

Year 5 visited Fishbourne Roman Palace, where they participated in an engaging workshop about Roman life, deepening their understanding of this fascinating period in history. Meanwhile, Year 2 enjoyed a day at Dell Quay, exploring shorelines, marine creatures, and the importance of conservation. Lastly, Year 3 embarked on a historical walk around Chichester, guided by Paul Ullson, known as "The History Man," where they uncovered the rich past of our local area.

On Wednesday, we entered two teams into a New-Age Kurling competition at the Westgate Centre and we are delighted to say that we won! (More details will follow in next week's magazine.)

## Can you help?

As we spend the year preparing for our exciting move to the new school site, we want to take a moment to celebrate the rich history of Jessie Younghusband Primary School. We believe that our school's past is an integral part of our identity, and we would love your help in creating a display that showcases our journey over the years, for the new building.

If you attended Jessie Younghusband yourself, or know someone who has, we would greatly appreciate your contributions! We are looking for:

- **Photos:** Any images from school events, classes, or memorable moments from the past.
- **Anecdotes:** Personal stories or memories that highlight significant events or experiences at the school.
- **Significant Events:** Information about any notable happenings that have shaped our school community.

Please reach out to the school office if you can assist with this project. Your input will be invaluable in helping us share our school's history with current and future pupils.

As we move forward, we will be sharing more about our school's history in the lead-up to the move. While we currently do not have a specific timescale for the transition, it appears that it is unlikely to happen before next summer, as outlined in the original consultation.

## House Points

Children earn house points for different things throughout the week, and here are this week's results:
