POLICY FOR THE DELEGATION OF THE FINANCIAL POWERS AND DUTIES OF THE GOVERNING BODY

Approved Summer 2025

Review Spring 2027

**POLICY REGARDING THE DELEGATION OF GOVERNING BODY
FINANCIAL POWERS AND DUTIES**

The Governing Body of Jessie Younghusband School is responsible for the financial management of the school to ensure the best possible education for its pupils.

Many governing body responsibilities can be delegated to committees or individuals. To ensure sound financial control, this policy statement specifies the decisions of the full governing body with regard to which financial functions it chooses to delegate to a committee and which to an individual. Where responsibility has been delegated, all decisions and actions taken will be reported back to the full governing body and properly recorded.

The policy takes into account:

- i) The West Sussex Scheme for Financing Schools
- ii) Schools' Financial Regulations
- iii) Schools' Financial Procedures
- iv) School's Standing Orders on Procurement and Contracts

Governors do not incur any personal liability in respect of anything done honestly, reasonably and in good faith in exercising their power to spend a school's budget share, or delegating that power to the Headteacher. The governing body, as a corporate body, is accountable for all actions taken in its name by individuals or committees to which it has delegated functions. Where the Headteacher delegates tasks to other members of staff, the Headteacher remains accountable to the governing body.

The full governing body will review this policy annually.

TERMS OF REFERENCE FOR THE DELEGATION OF THE FINANCIAL POWERS AND DUTIES OF THE GOVERNING BODY

Each governing body is responsible for the financial management of its school. In order to allow the school to function efficiently, delegation to the headteacher, and possibly to other members of staff, will be necessary. The extent and level of any such delegation is for each governing body to determine, although it is suggested that the governing body consider delegating as many responsibilities as practicable to the headteacher. The headteacher may then delegate to other staff as appropriate.

In this template a shaded box indicates that such delegation is not permitted because of national or WSCC regulations or would not be best practice. Where committees exist, the name of the committee to which the function is delegated should be specified either in the column heading(s) or in the Comments column. Further comments may be added where you wish to clarify your decision.
