Rainy-day saving Activity sheet

The Jackson family has been saving for a rainy day. This means saving up for a time when you need to spend money on something unexpected. Colour in the things you feel are important to save for. Can you explain why?

Making sense of money

What might your family want to save for?
Ask your family what they might want to save for. **Draw a picture below.**

The image displays three vertical panels, each representing a page from a notebook. Each panel has horizontal ruling lines spaced evenly down its length. The first panel on the left has a teal-colored border and a red umbrella illustration at the bottom left corner. The middle panel has a dark purple border and a grey umbrella illustration at the bottom center. The third panel on the right has a red border and a red umbrella illustration at the bottom right corner. All umbrellas are open and have brown handles.
