

Plastic Free Friday Update

Dear families

Another excellent result for our June Plastic Free Friday. Our average number of single use plastic wrappers per packed lunch was just under 1.2, the best so far this year! That was the final Plastic free Friday at school for this term, but we hope it has encouraged you to try to reduce plastic in lunchboxes all the time.

July has been designated Plastic Free July, so I thought I'd share a few websites with top tips for going plastic free:

<https://www.plasticfreejuly.org/>

<https://friendsoftheearth.uk/sustainable-living/plasticfree-kids>

<https://www.kidsagainstplastic.co.uk/>

<https://www.citytosea.org.uk/plastic-free-parenting/>

I hope you and your families find these helpful: please let us know what worked well for you!

Thank you again for all your efforts.

Mrs Ritchie
