# Money mules

## Activity sheet

### Your challenge

Imagine you've been asked to help stop the criminals by letting people know about money mule schemes and how to avoid them.

- 1) Read through the **Money mules** Fact sheet with information about what money mule schemes are and how they work.
- 2) Work in a team of three or four to come up with a great way to let young people across the country know about the dangers of money mule schemes.

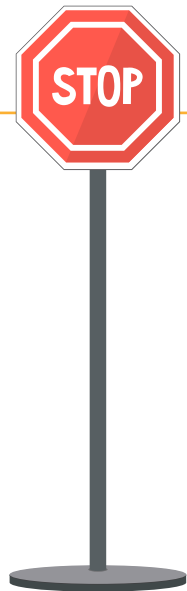

For example, you could create:

- A TV or radio advertisement
- A billboard, poster or bus advertisement

Think about the young people you want to warn about money mule schemes. Write some ideas or notes in the boxes below:

#### How could you get their attention?

(e.g. using a celebrity, using statistics, using a memorable saying, using information or a picture that shocks)

#### What important information would you want them to know?

(Use the 'Money Mules' Fact sheet to help you)
