

**Jessie Younghusband School**  
**Accessibility Plan and Equality Objectives 2019 - 2022**

We are committed to ensuring equality of provision throughout the school community and an accessible environment which values and includes all pupils, staff, parents and visitors regardless of their age, education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to challenging negative attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion.

**Equality Objectives**

- To promote spiritual, moral, social and cultural development through all appropriate curricular opportunities, with particular reference to issues of equality and diversity and to ensure that all groups of pupils have equal access to all extra-curricular activities.
- To increase staff's understanding of equality and its implications on a day to day basis, and in this way to reduce or remove inequalities in attainment throughout the school, particularly inequalities relating to the protected characteristics listed in the Equality Act'.
- To narrow the gap between vulnerable groups of pupils and other pupils outcomes especially in reading, writing and mathematics, and in this way to reduce or remove inequalities in attainment throughout the school, particularly regard will be given to inequalities relating to the protected characteristics listed in the Equality Act
- To develop an approach to displays around the school that reflect a positive attitude to equality and diversity with our own community and the wider community.
- Improve the delivery of written information to pupils, staff, parents and visitors with disabilities. Examples might include hand-outs, timetables, textbooks and information about the school and school events. The information should be made available in various preferred formats within a reasonable time frame.
- Improve access to the physical environment of the school, adding specialist facilities/resources as necessary. This covers improvements to the physical environment of the school and physical aids to access education.

Actions to address improvements and to monitor provision in these areas is shown on the attached Accessibility Action Plan

Objective	Action	Success Criteria	Who to action	When	Monitoring	Further action
1. Ensure that all areas of school building and grounds are accessible for all children and adults. Continue to improve the access of the physical environment for all.
