October 2018

We are very excited to introduce some new members to the JYS Friends Committee. As well as a wave of new committee members we have appointed a new Chairperson (**Lucy Cammack**, mum of 3 and a drama teacher) and a new Treasurer (**Jess Rides**, mum of 2 and an accountant). As you know last year's fantastic fundraising money enabled the JYS friends to provide some great playground equipment for the school as well as much more.

As a result of the initial team meeting lots of fun ideas have been suggested for future fundraising events. The first of these will be the '**Children in Need**', **fundraising day on November 16th**. On this day we are looking for some

volunteers to help with the day's activities, for example face/hand painting & giving out cakes!

After this we will be getting ready for our fast approaching annual **Christmas Fair**, which again will also require volunteers to run stalls and help with the general set-up!

Although we have a new large and enthusiastic committee there is still room for more helpers. So, if you would like to become part of the committee or would simply like to offer some time to help at any of these future events then please get in touch.

The **class representatives** & committee members will make themselves known to the parents in their child's year group via class Facebook groups, if you do not receive a notification about this then please email Lucy on **lucycammack@btinternet.com**.

We appreciate life is busy but even if you can give up a small amount of time it really will make a difference to our children at JYS. Over the coming weeks a sign up sheet for volunteers will be outside each classroom and in the office. WE NEED YOU!!

Alternatively, we will also need donations from local businesses for the **Christmas Raffle** AND we are always looking for new **fundraising ideas**. So maybe you could share any thoughts or inspiration you have in our suggestions box (located in the reception)!

These are exciting times for the JYS Friends and school, we have a growing team and would love to welcome anyone who wishes to be involved; there are so many ways to help and so many ways to get in touch!

We look forward to hearing from you!
