## Covid-19

In light of the Governments announcement earlier in the week, we wanted to reassure parents that we are keeping our plan under constant review and will update you as required. We would like to thank parents for supporting the safety of all by continuing to wear masks on site. At this moment in time, we have been very fortunate to have a very low number of cases in school.

## Last chance to book...

## What's been happening this week...

This week has been packed with activities running right across the school.

Mr Ullson - The History Man has visited Years 4 and 5 this week. Year 4 took part in a Tudor workshop where they were lucky enough to handle some Tudor artefacts! Year 5 staged a Roman battle on the field and made full use of the wonderful shields they had created for homework.

Year 5 and 6 had their last sessions with RnB Dance. They finalised their dance pieces and performed them as a whole class. The dances were fantastic and really demonstrated the hard work the children have put in.

Today has been very busy - we started the morning with running club participating in a 'Santa Dash', dressed in their best Christmas gear, joined by parents - running laps of the field in costume!

A group of KS2 pupils took part in 'Carols at the Cross' this morning. They performed a selection of carols for the public. This was a lovely event and the children involved were fantastic ambassadors for JYS - well done!

The whole school have been part of the audience for our visiting Christmas show. Each year group were treated to a 40 minutes show, which was really enjoyed by all! Thank you to the JYS Friends for funding this special event.
