drawing and painting.

• Learn about Great artists in history

Art & Design

• Improve mastery of art and design techniques including

Computing

- **E-safety** keeping devices safe by checking with adults before downloading games from the internet.
 - Handling Data collect data to answer questions. Discuss ways that data is organised. Use datalogging to monitor changes and discuss information
 - **Programming –** design, write and debug programs that accomplish specific goals. Use logical reasoning to explain how some simple algorithms work and to detect and debug errors in algorithms and programs.

Design & Technology

- Understand the principles of a healthy and varied diet.
- Investigate and evaluate a range of existing products.
- Use research and develop design criteria to inform design of a functional, appealing products aimed at particular
 - Select and use a range of tools and equipment to perform practical tasks.
- Learn how to strengthen, stiffen and reinforce structures.

Geography

- Locate the world's countries, using maps their key physical and concentrating on human characteristics and major cities.
- Understand geographical similarities and difference through the study of human (types of settlement and land use, economic activity including trade links, and the distribution of resources including energy, food, minerals and water) and physical geography (climate zones, biomes and vegetation belts, mountains, volcanoes and earthquakes).

Study of Cuba

Number -Multiplication and **Division**

- Be able to multiply and divide numbers using multiplication tables that they know and progress from mental methods to more formal written methods.
- Solve problems including missing numbers problems, involving multiplication and division and scaling problems.
- Recall and use multiplication and division facts for the 3,4 and 8 times table

Mathematics

Measurement

- Add and subtract amounts of money to give change, using both £ and p in practical contexts.
- Measure, compare, add and subtract lengths m, cm, mm comparison of measures including simple scaling integers.
- Measure the perimeter of simple 2D shapes.

Statistics

- Interpret and present data using bar charts, pictograms and tables.
- Solve one and two step questions.

fractions of a discrete set of objects.

Recognise that tenths arise from dividing an object into 10 equal parts and in dividing one digit numbers or quantities, by 10.

Count up and down in tenths.

• Recognise and use fraction as

Recognise, find and write

PSHE &

Citizenship

Education

jumping, throwing and

Working Together:

Citizenship - Working Together

Understanding how to stay safe online

Keeping Safe:

- Healthy and Safer Lifestyles Managing Risk
- Healthy and Safer Lifestyles Safety Contexts

Whole school celebration of 'Safer Internet Day'

Music

- Play and perform together, using voices and playing music instruments with increasing accuracy, fluency, control and expression.
 - Improvise and compose music.
 - Appreciate and understand a wide range of music drawn from different traditions and musicians.

Singing, Baritone

Science

Animals, including humans

- Identify that animals, including humans, need the right types and amounts of nutrition and that they get nutrition from what they eat.
